

LEVERAGING TECHNOLOGY TO DRIVE MEASURABLE BUSINESS VALUE

The technology landscape is changing fast. Companies that stay competitive consistently find innovative ways to improve customer experience, increase speed to market, and drive efficiencies.

YOUR PARTNER IN INFORMATION TECHNOLOGY

Fidato's Information Technology practice provides consulting and recruiting solutions that help you meet your business challenges head-on. With deep expertise in Data Management, Development and Integration, and Strategic Advisory we help our clients bridge the gaps in their teams and expertise to ensure the success of their strategic IT programs.

EVERY CLIENT,
PAST & PRESENT,
IS A REFERENCE.

“Working with Fidato is always a great experience. They deliver high quality resources with the right skills from the onset, saving us significant time and energy.”

Lance Dione
Comcast
*Senior Manager,
Data Quality*

“Fidato Partners has played an integral role in helping us build a strong team and by delivering the right leadership and expertise to drive key internal and client facing technology initiatives.”

Bonnie Oswald

CIO

YOUR PARTNER IN DATA MANAGEMENT

A successful data strategy is delivering accurate information to the right people at the right time. Fidato Partners can help you implement and support a platform for an enterprise-class data management solution by putting the right skills, tools, and processes in place. Our capabilities include:

- Business Intelligence and Analytics
- Data Visualization
- Big Data
- Data Integration

YOUR PARTNER IN DEVELOPMENT & INTEGRATION

New technologies present new opportunities. Our Development and Integration services focus on providing application development solutions that drive optimum user experience and business efficiencies. At Fidato Partners, we help our clients build platforms that scale and integrate with social media, analytics, data, and cloud platforms. Our capabilities include:

- Application Development
- Digital
- Portals and Collaboration
- ERP Customization/Integration

YOUR PARTNER IN PROJECT & PROGRAM MANAGEMENT

The Fidato team is well versed in multiple project delivery and execution methodologies, including Waterfall, Iterative, and Agile. We leverage industry best practices and past successes to develop or refine project execution lifecycles—driving consistency and repeatability. Our capabilities include:

- Tactical and Strategic Project Management
- Program Operations
- Methodology and Process
- Enterprise System Selection and Implementation

YOUR PARTNER IN STRATEGIC ADVISORY

An advisor that brings the right combination of perspectives, proven approaches, and pragmatic thinking can make a difference in performance, profitability and operational excellence. Our capabilities include:

- Interim Leadership
- Organizational Assessments
- IT Strategy, Governance, and Roadmap
- Executive Recruiting
