

**Fidato Partners** implements multiple Project Portfolio Management (PPM) solutions. Our capabilities span across our entire solution to include change management, training, and quality assurance for all implementations and enhancements.

### RESOURCE MANAGEMENT

Synchronize the capacity and demand to facilitate portfolio planning.

### FINANCIAL MANAGEMENT

Standardize KPI's to evaluate portfolio and project financial health to gain early indicator insight.

### SCHEDULE MANAGEMENT

Create common schedule maintenance procedures to accurately reflect and predict status.

### COLLABORATION OPTIMIZATION

Empower and streamline processes for teams to manage business functions.
